

We are currently offering the ITAC Sentinel® program to help members better protect themselves from identity theft.

Identity theft is one of the fastest growing crimes in America. Thieves are getting more and more sophisticated in accessing our personal data. Did you know...

WHY YOU NEED THIS

- In the U.S., 1 in every 14 consumers has been victimized by identity theft.*
- Common examples of identity theft include credit card fraud, phone and utility fraud.

Keeping an eye on your credit and personal data is one of the most important things you can do minimize your risk of identity theft.

THE SOLUTION

That's why we are offering ITAC Sentinel – to help you proactively protect yourself from identity theft. For only \$11.99 per month you'll have:

- **Credit Protection** - Once you enroll in ITAC Sentinel® you'll receive your credit report and scores based on data from all 3 bureaus to be sure your current information is accurate.
- **Personal Data Protection** – Is someone opening a credit card using your social security number? ITAC Sentinel monitors for this type of transaction alerting you so you can take appropriate action.
- **On-line financial tools** - Whether you're working to change your credit score or working to pay off a loan, ITAC Sentinel's on-line financial tools will let you see how certain changes can impact your credit.

For the most robust coverage from ITAC there is ITAC Sentinel Premium for \$15.99/month. If this seems like more than what you need we have ITAC Sentinel for \$8.99/month.

Enrollment is easy it should take about 5 minutes.
